STATE OF NEVADA
PERMANENT SCHOOL FUND
GENERAL

Article 11, Section 3 of the Constitution of the State of Nevada provides that all estates that escheat to the state; proceeds from the sale of lands given or bequeathed under this section; and fines collected under the penal laws of the state shall be pledged for educational purposes only, and shall not be transferred to any other funds for other uses. The 1956 special session of the Legislature enacted Chapter 32, which provided for the creation of the State Permanent School Fund to account for the money accruing to the State of Nevada under Article 11, Section 3 of the State Constitution.

The Permanent School Fund was created as a nonexpendable trust fund. This designation ensures that the corpus of the Fund will be preserved. All earnings on the Fund's assets are transferred to the Distributive School Account of the General Fund which apportions it among the several school districts of the state, in accordance with State Statutes.

The 1997 legislature added Nevada Revised Statutes 387.513 through 387.528. These statutes allow school districts to enter into guarantee agreements with the State Treasurer whereby the money in the Permanent School Fund is used to guarantee the debt service payments on certain bonds issued by the school districts. The amount of the guarantee for bonds of each school district outstanding, at any one time, must not exceed \$25 million. Bond guarantees at June 30, 2001 were:

White Pine County	March 1, 1998	7,510,000	7,510,000
