STATE OF NEVADA PERMANENT SCHOOL FUND NOTES TO THE FINANCIAL STATEMENTS FOR THE QUARTER ENDED DECEMBER 31, 2013

Note 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

Transactions are recorded on the modified accrual basis of accounting in accordance with generally accepted accounting principles.

Financial Statement Presentation:

The Permanent School Fund is classified as a permanent fund in accordance with Governmental Accounting Standards Board Statement No. 34. This designation ensures that the corpus of the Fund will be preserved. All earnings on the Fund's assets are transferred to the Distributive School Account of the General Fund that apportions it among the several school districts of the state, in accordance with State Statutes.

Cash and Cash Equivalents:

Cash and Cash Equivalents consist of cash with treasurer and investments that mature within three months of acquisition and are readily convertible to known amounts of cash.

Treasurer's Interest Accrual:

For the quarter ended December 31, 2013, the Permanent School Fund's average balance in the State Treasurer's investment pool was \$11,822,892. Accrued earnings from the investment pool are transferred quarterly to the Permanent School Fund based on its pro rata share of average daily cash balances.

For the quarter ended December 31, 2013, funds held by the State Treasurer earned interest at an effective rate of 0.3907 percent.

Investments:

Investments in U.S. Government Securities are stated at fair value, which approximates market value. Fair value is the amount at which an investment could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

Fund Balance:

Non-spendable fund balance cannot be spent, and represents the permanent fund principal which must remain in the fund in perpetuity under the State Constitution.

Revenues:

Article 11, Section 3 of the Constitution of the State of Nevada provides that all estates that escheat to the state; proceeds from the sale of lands given or bequeathed under this section; and fines collected under the penal laws of the state shall be pledged for educational purposes only, and shall not be transferred to any other funds for other uses. The 1956 special session of the Legislature enacted Chapter 32, which provided for the creation of the State Permanent School Fund to account for the money accruing to the State of Nevada under Article 11, Section 3 of the State Constitution.

The following illustrates some of the potential revenue sources of the Permanent School Fund:

• Surplus on sale of unclaimed freight after charges of common carriers and warehousemen (NRS 108.430)
